

## Course: Introduction to Programming Using Python

### **Module 1. Introduction to Python. Algorithms. Part 1**

#### **Task 1**

Use words to describe an algorithm for driving a car, and draw a flowchart.

#### **Task 2**

Use words to describe an algorithm for buying cycle tires, and draw a flowchart.

#### **Task 3**

Use words to describe an algorithm for writing a novel, and draw a flowchart.

#### **Task 4**

Use words to describe an algorithm for door installation, and draw a flowchart.

#### **Task 5**

Use words to describe an algorithm for skateboarding, and draw a flowchart.

#### **Task 6**

Use words to describe an algorithm for washing dishes, and draw a flowchart.
